Latter from Hon. John Wilson, Mayor.

Richmond, July 9th, 1885.

Messrs. Wm. S. Dimes & Co.,

Gentlemen:—Considerations of duty to the afflicted alone prompt me to send you this voluntary testimonial as to the great value of CARTER'S SPANISH MIXTURE, for that almost incurable disease, Syphilis.

Without being disposed, or deeming it necessary, to go into the particulars of the case, I can say that the astonishing results that have been obtained by that medicine

to a member of my own family, and under my own observation and superintendence, after the skill of the best physicians had been exhausted, and all the usual remedies had failed, fully justify me in recommending its use to all who may be suffering from that dreadful malady.

I do not mean to say that it is adapted to all constitutions, or that it will afford the same relief in all cases; for, of course, I can know nothing about that—but from what I have seen of the effects, I would not hesitate to use it in any and every case of Scrofula, with persons for whom

or control. Respectfully yours,
 Jan 23 JNO. M. BOTT:
